

January 1st, 2018

Dear Warren, Jeff, Robert, and Phillip:

Mathusek Incorporated has been a Mondo dealer since 1988, successfully representing our products in all of New Jersey, lower New York State, the five boroughs of New York City, Long Island, and Fairfield County, Connecticut.

Through the years, Mathusek has been instrumental in the development of architectural specifications and customer acceptance. You have spent many hours with architects, Boards of Education, and end users to ensure untold numbers of beautiful installations.

You have now been appointed as a Certified Track Installer; specifically working the union track jobs in your area. Congratulations in this new endeavor. We have full confidence in Mathusek quality and technical expertise.

2018 also marks the thirtieth (30) year anniversary of our relationship, a cause for celebration!

The Stroppiana family sincerely hopes that the Mathusek family will continue our wonderful relationship for years to come. We wish you continued success and especially an exciting 2019, as you continue to expand. Mondo will continue to play a significant role in your future growth.

With kindest regards,

Federico Stroppiana
President

Maurizio Stroppiana
